

IBEW Outreach Program

Application for Sponsorship / Donation

The goal of the IBEW Outreach Program is to help support organizations that are making a positive impact on issues that are important to the IBEW and to support causes that matter to our members, as well as to the communities where they live and work.

In order for a request to be considered for approval, it should be aligned with at least one of following areas*:

- Health & Safety
 - Youth & Education
 - Community
 - Environment
 - Arts & Culture
- *Other areas may also be approved

Requests can be made by individual members or by an adhoc committee of the Local 37 Executive Board. The reviewing and approving of requests will be the responsibility the Executive Board. To ensure the consistent evaluation of requests, we require all applicants to complete the application form below and send it to the Local 37 Office directly. Preference will be given to sponsorship or donation opportunities that will meet the goal of the program while providing the union with appropriate recognition. Where possible, an attempt will be made to balance expenditures across New Brunswick.
