

Contract Issue Submission Form

1. We will soon start contract negotiations for your collective agreement.
2. We want your input. Please tell us about issues in the workplace that affect you.
3. Submit a new form for each issue.

Briefly describe the issue:

What concerns you about this issue: why is it important to you?

What are some ways that it could be resolved?

Please include your name, classification and contact information, in case we need to do some follow-up with you: **Your input is for your negotiating team's use only – your name will not be shared with the company or the general membership.**

Name: _____ Classification: _____

Workplace Location: _____ Bargaining Unit: _____

Telephone: _____ E-Mail: _____

Thank you for your help! Your input will help guide your negotiating team.
